Mr. Kim Brownie

Dear Kim:

The Powerhouse Department at Montenay Power Corporation would like to express our sincere gratitude for all the assistance Brownie & Sons, Inc has provided in returning our building fit for use. By providing expedited service and rearranging your other commitments this has kept the downtime to a minimum.

Through the entire ordeal your employees were extremely helpful, quick, and performed an exemplary job of raising the Powerhouse structure so it could be repaired. They made a difficult situation manageable and less stressful.

We deal with many vendors and contractors, which we count on, to remain successful in this business. Brownie & Sons, Inc was added to our vendor list for future consideration on any lifting projects that we may have at the Miami-Dade facility.

Again, thank you for all your help.

Sincerely,
